Dear Allen,

I do not have words to express how much I appreciate all what you have done for me! I was so surprised to be totally released today!! :) :))))

I can't believe I'm free, I'm writing and crying but this time those tears are of happiness!!!

Allen, you made a miracle!

I remember when at the very beginning I said to you: "my mother gave me life 28 years ago...and my life, my freedom was taken away...now I am asking you to give me my life, my freedom back" and I will always remember your words, you said "well, your mother carried you for 9 months in her stomach and I need those 9 months as well..." and here after even less than 9 months, as you promised I was released! It is a miracle! You are my life saver, you are the best, you are a very very special person to me and to all of my family, my little boys will always know - that Mr. Bentley saved their mother's life!!! We will always be happy to see you in our home here and in Israel, please come visit us when you have time!

THANK YOU VERY MUCH FOR EVERYTHING AGAIN,

I will miss you a lot!
