Dear Allen:

Thanks for the note and for your services. Enclosed is a check for the time you devoted to this issue. I did sign the agreement after discussing it with [REDACTED] and clarifying their intent with an additional letter. When I get back into Seattle I would like to have a cup with you. I, too, hope there will be no additional need for your services but I do feel comfortable with your representation and counsel.

Regards,

Jim [REDACTED]
