

Dear Allen,

Thank you for your guidance and counsel through what felt like one of the most vulnerable times of our life.

Our respect for you was solidified when you mentioned that your overarching personal principle is not just justice for your client, but peace among parties.

While your conservatism and caution was not always a comfort in the moment, you created a foundation of credibility and trust that meant as things progressed, we were confident in and fully trusted your judgments and advice.

Our legal system may be fallible, as you say, but in our limited view, it is stronger on account of you and the values you bring to your work. Thank you.

That's you. Thank you.

Thank you so much for giving us peace of mind.
